I — The Original Dignity of Woman

God never created woman as an inferior being. Go back to Genesis 1:26–28: the mandate to rule and exercise dominion was not given to man alone, but to mankind — both men and women. Together, they were created to reign, govern, and reflect God's glory.

1. Man was created first to represent leadership, authority, and influence **(Genesis 2:18)**.
2. Woman is not inferior — they are equal in nature; the distinction lies in God's order of authority.
3. To be a helper means possessing qualities, abilities, and strengths — it is a position of power, not weakness.

As Dr. Wafo reminds us:

> *"Being strong and gifted does not give us the right to be rebellious."*
>
> DR RAOUL WAFO

Look at Jesus: equal with the Father, yet willingly submitted within God's divine order. Submission is never about value; it is about God's design and structure.

II — Why Does the Enemy Hate Women?

Genesis 3:14–15 reveals the answer: God placed enmity between the serpent and the woman. Satan knows that she carries a unique anointing destined to crush his head. That is why he relentlessly attacks women through:

1. **The slavery of appearance** — making you believe your worth is tied to your physical beauty.
2. **Manipulated inequalities** — using social injustices to fuel rebellion.
3. **Violence in all its forms** — physical, verbal, emotional, and psychological.
4. **Role confusion** — pulling you away from God's original purpose.

But hear this liberating truth:

> *"Happiness does not come from other people; it comes from how we see ourselves and from understanding how God sees us."*
>

III — The Power of Submission

1 Corinthians 11:9–10 teaches that woman was created for man. This spiritual principle is so significant that even angels pay attention to it.

> *"There are things that will only happen for women who have learned to fear God."*
>
> DR RAOUL WAFO

According to 1 Peter 3:1–6, submission is not weakness — it is a spiritual weapon.

> *"Submission is the voluntary decision to place yourself under someone's authority."*
>
> DR RAOUL WAFO

> *"You are not submissive because your husband is perfect; you are submissive because you fear God."*
>
> DR RAOUL WAFO

And here is the key:

> *"Every time you try to force things yourself, you prevent God from acting on your behalf."*
>
> DR RAOUL WAFO

IV — A Word to Mothers

Titus 2:3–5 provides a blueprint for godly women. Mother, you have a prophetic role in the lives of your children and the next generation:

1. Define yourself by your inner character, not by your appearance.
2. Renew your mind — this is the most important work after salvation.
3. Embrace God's thoughts and perspectives — it is a lifelong pursuit and daily investment.
4. Become God's friend — because Satan hates you, you must stay close to the One who loves you.

A woman fully submitted to God becomes a terror to the kingdom of darkness. That is why the devil fights you: he knows the damage you can inflict on his kingdom when you walk in God's purpose.

Conclusion

Woman of God, blessed mother, you are not a victim — you are victorious. The devil hates you because he fears you. Genesis 3:15 sealed his fate: your offspring would crush his head. Therefore, reject the bondage of appearance, refuse rebellion disguised as empowerment, and embrace your God-given identity.

> *"A woman is meant to be God's friend because Satan hates her."*
